Ionic liquids expert Rogers to speak Thursday at Marshall

Dr. Robin Rogers, one of the leading researchers in the field of ionic liquids, will speak at 4 p.m. Thursday in Bldg. 4487, Room 107 at the Marshall Center. Rogers' talk will focus on ionic liquids, their properties, and how these properties may be used to meet NASA's human space exploration needs. Rogers is the director of the Center for Green Manufacturing at the University of Alabama at Tuscaloosa. For more information, call 544-7823 or 544-5026.

United Negro College Fund Banquet, 6:30 p.m. Thursday, Von Braun Center. Tickets \$100. For details, call 544-3740 or see 'Inside Marshall'

LIFESouth blood drive, 8 a.m.-1:30 p.m., Friday, Center Activities Bldg. 4316. See 'Inside Marshall'

Marshall Center annual Egg Hunt will be Saturday

The Marshall Center's annual Egg Hunt will be at 10 a.m. Saturday in the Picnic Area. Registration is at 9:30 a.m. All Center team members are invited to bring their children ages 12 and under to participate. In case of inclement weather, activities will be held in Bldg. 4316. Family members who plan to attend without a badged employee must be registered in the Visitor Management System. For details, see "Inside Marshall" or call 544-3563 or 544-1382.
